

## **SUMMARY OF BOARD MINUTES**

The monthly Board meeting of the Sacramento Chapter of MOAA was conducted November 3rd at McClellan. The pledge of allegiance was led by our president, Colonel Herb Holeman. He then briefed the Board on issues discussed at the National & State MOAA conference in San Diego, including the fact that national membership is growing.

After approval of the previous month's minutes, there were a series of reports. During the reports there were concerns raised over falling interest and attendance at various chapter-sponsored luncheons and travel opportunities. It was noted there have been some generous donations to our scholarship fund, including \$500 from SOLO's, which was matched by a generous individual SOLO member.

Two of our members, Lieutenant Colonels Jim Grey (USAF) and Al Leidy (USMC) were acknowledged for assisting our acting treasurer, Mrs. Bernice Martin, reconstruct financial records and submit required federal and state reports.

It was noted that our November dinner dance is close to the Marine Corps birthday, so an attempt will be made by Captain Ken Sanders to get a Marine Corps Junior ROTC team for the flag presentation at our function.
